

THE DUNBAR

Members' Lounge Rules

EXCLUSIVITY

- The Dunbar Members' Lounge is exclusively for active members of The Lensbury Club, and their guests.

MEMBERSHIP CARDS

- To maintain its exclusivity, please keep your membership card accessible, as our team will request to see it before placing your order, or indeed at any time.
- We will not process any transactions without seeing your membership card first; replacement cards may be purchased from Members' Reception. All transactions must be made by the active member.

FOOD & BEVERAGE

- Only items purchased in the Dunbar Members' Lounge may be consumed here.
- Items have been priced competitively exclusively for the Dunbar Members' Lounge. This pricing is not available from any other outlet.

LAPTOPS/VIDEOS/GAMES

- Whilst we appreciate the modern demands of the use of electronic devices, the Dunbar Members' Lounge has been designed as a haven; working/co-working and video calls are not permitted in this area. Electronic devices may only be used at the tables in front of the tiled deli area, while enjoying purchased refreshments.
- Recreational activities, such as cards or board games may not be played here.

CHILDREN

- Please ensure your children are supervised.
- We respectfully asked that all children wishing to play noisily are escorted to the Rock Hall Junior Room opposite the Dunbar Members' Lounge.

BUGGIES

- All buggies are to be stored behind the ramp outside the Dunbar Members' Lounge.
- Highchairs are available upon request.
